

# BUILDING A FORCE OF LOVE FOR MASSACHUSETTS' KIDS

Corey C. Griffin  
Foundation

We believe every child deserves a chance to thrive. The Corey C. Griffin Foundation supports high-impact educational, healthcare and mentorship programs for youth from under-resourced communities in Massachusetts, serving over 10,000 kids annually.

## WE WANT EVERY CHILD TO THRIVE

If we take care of kids, they'll pay it forward and take care of the next generation of kids. This is what our namesake believed deeply and that is why we refer to our most precious commodity as "Corey's Kids". We create lasting change through what we call experiential philanthropy. Our giving is never passive, instead it requires active participation with the kids and their support system. 100% of the proceeds go directly to places of need, through our initiatives and our 11 program partners.

## KIDS HAVE A WAY OF FINDING COMMON GROUND. WE CAN TOO.

We are so grateful for supporters and our partner organizations. We are all working toward a future in which children of all backgrounds can see a wider world, imagine their place in it, and believe they can achieve their goals. Our collective measure of success is in turning today's children into Massachusetts' business, cultural, and civic leaders of tomorrow. If we come together to invest, advocate, and believe, the result will be real and lasting change.

Together, we can go further, reach higher, and dream bigger on behalf of the youth we serve.

“ THIS WORK IS DIFFERENT. IT'S DRIVEN BY LOVE. AND IT'S ROOTED IN A BELIEF THAT ONE ACT OF CARE, ONE OPEN DOOR, CAN CHANGE A CHILD'S ENTIRE LIFE. WE SHOW UP FOR KIDS IN A WAY THAT IS INTENTIONAL, CONSISTENT, AND HUMAN. THROUGH OUR INITIATIVES, WE PARTNER WITH ORGANIZATIONS THAT ARE ON THE GROUND EVERY DAY DOING THE HARD, MEANINGFUL WORK. AND THROUGH IT ALL, COREY'S PRESENCE IS FELT—HIS JOY, HIS GENEROSITY AND HIS BELIEF IN OTHERS. ”

## MEET COREY'S SCHOLAR, ORIANA DUNKER

Learn more about our 2025 Youth Courage Award Winner, Oriana. The Corey's Scholar program was there to support her every step of the way — from her time as a Ron Burton Training Village counselor and Class President at Boston Latin, and also when this rising star was the victim of a random shooting the summer before her senior year in high school.

See how her resilience, positive spirit, and support system helped her push through and enroll at Yale University.

## THE NEXT GENERATION OF GENEROSITY

**Our Emerging Leaders Council (ELC)** consists of more than 80 passionate, young, Boston-area professionals who are shaping the future of philanthropy. And the ELC applications just keep on coming. Members dedicate two years to service, including mentoring young people, volunteering with our program partners, and driving leadership initiatives. The passion and commitment of the ELC is unique and powerful. It ensures our impact will continue for generations to come.
