

Back to School 2026

Since 2014, the Corey C. Griffin Foundation has worked to be a Force of Love for Kids by supporting high-impact educational, healthcare and mentorship programs for youth in Massachusetts, serving over 10,000 kids annually.

Each year, CCGF hosts the Back-to-School Backpack Drive for more than 4,000 kids in Boston. We are excited to help Corey's Kids, get ready for the school year with backpacks, school supplies, and the confidence they need to succeed.
